

**Hottest New Action Game From
DATA EAST USA**

THE WORLD'S FIRST BOOMERANG ADVENTURE GAME!

You're Boomer, a prehistoric Warrior living in a dangerous land in a time when dinosaurs ruled the world.

Armed with your deadly boomerang, your goal is to explore the land in quest of treasures. But beware of gigantic, vicious monsters, sea serpents and enemy tribesmen who attack on foot or hurl fireballs while riding dinosaurs.

The ultimate challenge is to knock the enemy warrior off his dinosaur and take his place atop the

beast. This will give you maximum mobility and firepower.

By capturing all the treasures and spelling out BOOMER RANG'R, you are victorious and move to a challenging new world full of new adventures and dangers.

Superb graphics, fast-moving action and an entirely novel game theme make Boomer Rang'r a top earner for street and arcade.

HOW TO PLAY

- Use joystick to avoid enemies •
- Press red button to hurl boomerangs •
- Press blue button to mount riderless dinosaurs for increased firepower •
- Bonus points for reaching treasures •
